(2) Aided Sanskrit-School at Agrahalagur, Kunhunagudi Tk from Rs 15 to Rs 30.

3. These Schools were given grants under the old Rules under which the people should contribute only one half of the cost of the School, the other half being borne by Govt (Vide G.O. No 162-172½/Edn-11 dt 24/7/1896). Therefore the people of these ~~Villages~~ two Villages have been contributing Rs 180 to 90 a year towards the cost of these Schools and the Govt is paying ~~a monthly grant of Rs 30~~ the other half. The peoples' contributions are

credited to Govt and the ~~Govt~~ entire cost of the schools Viz Rs 30 & 15 from respectively is met by Grants from Govt

4 The people of Ivanchenahalli have contributed a further Sum of Rs 120 and deposited it into the Treasury They ask that the Govt may contribute an equal amount, so that the Grant of the School may be raised from Rs 30 to 50 p.m. The people of Raghalapa have similarly contributed to pay into the Treasury a further Sum of Rs 90 ~~p.m~~ and ask that the Govt Grant may be raised from Rs 15 to 30. under the old Rules the 2 Gls ~~Supports the Increase~~ Recommends the increases of Grants. 5 The point for consideration is whether the Govt should continue to bear one half of the cost of these Schools under the old Rules G.O No 14428-9/Govt 297 dt 3/8/1902 ~~that~~ authorises the Dept to use his discretion in such cases and withdraw the grants under the old Rules after such period as he considers Reasonable in each case The Schools at Manchenahalli & Agrahalapa have been enjoying the grants under the

old Rules for the first 12 years under the new Rules sanctioned in G.O. No 8398-9 | Edn 187-07 2/12/1907 the people should contribute 2/3 of the cost of such Schools, the Govt bearing the remaining 1/3

6. Another point for note is that the fees Realized in these English Schools go to the managers. In the case of the Manchenahalli School, the fee income is 15 per or Rs 180 per annum This ~~Covers~~ fully covers the peoples' contribution of Rs 180 therefore the people are paying Rs 180 in advance to Govt and Recoup it from fees therefore it may be said that the people practically contribute nothing towards the cost of this School.

To say that people contributing must necessarily be favoured by put contributing towards the funds put by the people are their contribution shows that they are in a position to support the institution themselves and in such a case there would be no further necessity for Government help under the circumstances with the addl contributions cannot maintain with [illegible] reasonably normal expansion without fresh aid As seen the Dy. Supdt the panel is also fattened from the notes that the school is going to expand the proposal deserves favourable consideration but the question is whether the panel should necessarily be increased from 30 to 50 if 30 or a smaller number would suffice to enable an addl panel of Rs 10/- each would suffice
